Dear Tier,

The 31st annual International Fly Tying Symposium is returning to the DoubleTree by Hilton in Somerset, NJ, November 12 & 13, 2022. You are invited to the 2022 symposium, so please complete the following forms. If you know a tier who doesn't receive email, or wants to tie, have them contact me and I will mail an invitation.

Category #1: This category allows you to demonstrate your art but does NOT allow you to sell. A FREE 8' table and 2 stools are included to share with a 2nd tier.

NEW this year is each tier in Category 1 receives a free 8' table and stool which costs the symposium \$170. In exchange for the FREE table and stools, each tier will be required to submit \$60 for a Saturday evening banquet ticket when they arrive and pick up their show badge.

Foreign tiers will be given a complimentary Category 1 table for the entire symposium and Saturday evening banquet ticket.

Category #2: This category allows you to sell for a fee of \$300 due August 1, 2022. Included in the fee is an 8' table, 1 stool and 1 banquet ticket for Saturday evening.

Category #3: This category includes an 8' table, 2 stools for each tier and 1 banquet ticket. Fee is \$340 due August 1, 2022. An extra banquet ticket can be purchased at the registration desk.

All 3 categories receive FREE electricity, but please bring an extension cord for your light - the longer the better.

Each tier will receive a free stool. If you need an extra one you can bring your own or rent one from our decorator. Borrowing a stool that is already in place for another tier is stealing and you will be asked to exit the show.

If you want to split a category 3 table and share the fee, that is OK, but the fee must be paid in full by the tier requesting the table. You must settle the split payment with each other.

Please complete the form and return as soon as possible. We need to have your request and payment by August 1, 2022. SOONER IS BETTER.

After August 1, 2022 a \$20 fee will be added for your chosen category.

Sincerely,

Chuck Furimsky
